### Where i am

**Y**ou're a good friend — i am. thank you . what about that huge ass snake in the forests? now that i mention it, that's the reason i even came to ionia in the first place.. I expected the bears to be bad at the beginning of the year, but i never expected them to be this trashy.. Fast and furious is on rip paul walker. It's the old collar bomb with a redundant circuit that triggers a secondary timer with an ambiguous read out, trick. . As the leaves turn and the mercury drops, so reemerges my irrepressible desire to exclusively read gloomy, morally ambiguous spy novels.. sure but everything is essentially a bechtel test so i found the mic drop ambiguous, but i am glad to hear it passed.. cold as in standoffish and that's when she had to "say it out loud" i.e., her culpability. can't lie, during my time as a doorman at clubs, i got a more standoffish w/ a-holes cause i had a huge nypd cop backing me up. ## **CHAPTER 15**

### **Whereabouts i think there closed nowwww**

**O**mg the third episode of sailor moon is evil forces convincing girls that you need to be thin to be beautiful this is so deep. yoooooooo third sernon tho !!!!. literally the third floor of my dorm some girl like unraveled all of her hair into the shower drain and shit is going down. "have you ever had so much to say that your mouth closed up struggling to harness the nuclear force coalescing within your words?" — crank.

well i think there closed nowwww. butttt there's always good max they got them cans tho!!!! ...

If you don't like i most likely don't like you, k... In a vain attempt for wifi i just accidentally ripped my charger out of the wall k. I hate my real school friends fml k bye. i wouldn't mind paying if it did the jib properly!. I should be paying more attention to you. A relationship is just a fancy way of saying that you're paying attention to someone other than yourself for a change.. I've been so busy i haven't even checked snapchat in two days wtf. I know derek hough is incredibly busy, but it would be a dream come true if i was able to have a private dance lesson with him .

I'm too busy searching tumblr for my next lover to worry about your old "dreams"!..

## **CHAPTER 16**

### **Where i got yu bro**

**I**got yu bro. tryna hit fourth street again??. class a driver: gerdau – madison, wi – gerdau is the fourth largest overall... . Christie hits fourth state in fund raising spree. I need to stop putting stuff off until the last minute.

I'm also v upset bc k&k take the hampton's didn't record last night?????.. "it's offensive to men that beautiful women like yourself likes other girls" goo i live to offend you. Because i'm a female it's my fault i'm being harassed. ok wtf.

I been drinking nothing but water for six days str8 surprised i have gave in yet..

" i'm so lucky people can't hear what i'm thinking.".. Imfao idec i won't be

thinking about any of this when i'm rocking out to shake it off at her concert next year . I'm always thinking about you ... always.
